Subj: Roth Memorial Scholar-Athlete Scholarship

1. The Roth Family appreciates the good things that you are making happen in the school system. Subject scholarship is an annual contribution from our family for the betterment of education and life in Estelline.
2. Dad Les, Mom Cathryn and Brother Bill have been remembered annually since May 1999 by the presentation of scholarships to qualifying EHS seniors. What was intended to be a five-year plan continued on as the great satisfaction of giving grants to top deserving students was fully realized.
3. Appreciated correspondence received from scholarship awardees and parents, over the years, has been both impressive and heartwarming. It has prompted us to continue granting the award. There will be a change beginning this year in that only one scholar-athlete will be recognized with a \$1,500.00 grant, the criteria to qualify for consideration remains the same.

Sincerely, Jim Roth, EHS Class of 1950
